## The Best of Both Worlds.

Whether you're a hardcore fisherman or a relaxed cruiser, the Luhrs 35 Convertible fits the bill. Inshore cruisers will love the airy, open salon created by the full windshield, and dedicated offshore fishermen may opt for the non-windshield version. The two stateroom 35 Convertible sleeps four to six people in comfort, and the accommodations below rival those of larger boats. Topsides, custom touches abound, such as the tumblehome hull, molded-in BridgeWalk steps to the bridge, and multiple fishbox and tackle prep areas. You'll also be covered by our industry-leading Luhrs Armor Protection Coverage.\* Choose from traditional shaft-drive diesel power or the revolutionary Volvo IPS system – with the Luhrs 35 Convertible, you'll truly have the best of both worlds!

### Raymarine

We proudly offer optional Raymarine electronics on our Luhrs sportfishing boats.

\* See back page for details.

Above: The 35 Convertible features a standard windshield, creating an airy, open salon. Shown also is the optional lower helm.

Left: The galley area of the optional no windshield version.

Right: The centerline queen berth sports an innerspring mattress and a custom flip up storage area.

Below Left: The guest stateroom offers a double berth and plenty of storage.

Below Middle: The head is roomy, with Corian® countertop, a stand-up stall shower, Quiet Flush® head and generous storage.
